

INSTITUTIONAL PLACEMENT AND GUIDANCE COMMITTEE

CAREER COUNSELLING

The college has a dedicated Institutional Placement and Guidance Committee (IGDC) which is an integral part of the institute. It assists students in pursuing career and higher education in premier institutions. IGDC also organises programs on career guidance/counselling and employability in India and abroad. The institute has a strong and illustrious alumni base which is now well spread in many countries of the world and has adorned respectable positions in academia, healthcare, research, industry, outreach including the prestigious armed forces.
