

## **EMBRACE 2026**

The Department of Orthodontics at Saraswati Dental College and Hospital, Lucknow, recently hosted the 3rd edition of "Embrace 2026", a two-day faculty and student exchange programme, from April 16-17, 2026. This event was organised in accordance with the MOU between the Department of Orthodontics and Dentofacial Orthopaedics of Saraswati Dental College and Hospital and Santosh Dental College, Ghaziabad. The programme featured insightful lectures by external resource persons Dr. Mayank Gupta, Associate Professor from Santosh Dental College, and Dr. Shrish Charan Srivastava, HOD Professor from Chandra Dental College. A practical course on wire bending was also conducted, providing hands-on experience to participants. Additionally, an array of sporting events were held on campus, promoting recreation and camaraderie among faculties and students. The event aimed to foster collaboration between institutions, encouraging the sharing of knowledge, research, and teaching methods, and enabling participants to gain new perspectives, skills, and ideas, ultimately enhancing their academic and professional development
