About The Authors

Dr. Divyanu, a postgraduate scholar, exemplifies dedication and ambition in his pursuit of academic and clinical excellence. With a deep interest in endodontics, he is diligently refining his skills and knowledge to become a distinguished practitioner. Dr. Divyanu has actively contributed to the profession by presenting research papers at esteemed national conferences and publishing articles in respected indexed journals. His commitment to advancing the field is evident in his focus on research, clinical expertise, and collaborative scholarship.

Dr. Gaurav Jain, Professor, Department of Conservative Dentistry and Endodontics, Saraswati Dental College & Hospital, Lucknow, Uttar Pradesh has over a decade of experience as a dedicated academician and researcher. His exceptional contributions to dentistry include more than 27 original research publications in national and international indexed journals, the authorship of 7 books, and 4 patents. He is an esteemed Life Member of the Indian Association of Conservative Dentistry and Endodontics (IACDE) and serves as an honorable reviewer and editorial board member for prominent journals worldwide. Recently, he was honored with the prestigious 'Emerging Researcher of the Year-2024' award at a national conference held at KGMU, Lucknow, highlighting his impactful role in advancing dental research and education.

Dr. Pradyumna Misra, Professor & Head, Department of Conservative Dentistry & Endodontics, Agartala Government Dental College, Agartala (Tripura) is a seasoned academician with over 27 years of experience. Renowned for his significant contributions to dental education, he has mentored numerous clinicians and inspired future academicians. His scholarly achievements include 36 publications in esteemed national and international journals. A sought-after speaker, Dr. Misra has delivered impactful lectures at both national and international conferences, underscoring his influence in the field.

Dr. Preeti Shukla, Reader, Department of Conservative Dentistry and Endodontics, Saraswati Dental College & Hospital, Lucknow, Uttar Pradesh is a distinguished academician and researcher with more than seven years of experience in the field of conservative dentistry with excellence in clinical work. She has authored six original research publications in esteemed national and international journals, along with three books and a patent to her name. Her unwavering dedication to advancing the field of dentistry is reflected in her multifaceted approach, encompassing groundbreaking research, exceptional clinical proficiency, and a strong emphasis on fostering collaborative academic endeavors.
