

National Recognition for Research Excellence

We are delighted to share that Dr. Gaurav's research proposal, submitted under the Faculty Category for the Indian Association of Conservative Dentistry and Endodontics (IACDE) Research Grant 2025, has been selected as one of only two award-winning proposals at the national level. He had the honour of receiving the award on 28th November 2025 at the 40th IACDE National Conference in Chandigarh. This inspiring recognition motivates Dr. Gaurav to continue advancing research and innovation in the field of Conservative Dentistry and Endodontics.
